Note Certification Criteria:-

CHT For **Chemical Testing** - no category for CTT

CMT For **Construction Material Testing** under Category of Construction material test is sub-categorized into: 1) Concrete 2) Soil & Rock 3) Steel Metal both for CTP and CTT

MIT For **Microbiological Testing** - no category both for CTT and CTP

QUA For **Quality Assurance** only for CTP

TGT For **Textile and Garment Testing** Certified Testing Professional (CTP) two categories are required and only one category for CTT
